4. AD's are encouraged to attend the women's caucus, the new ad caucus, and the middle level caucus as they apply.

Scholarship Update

Mike Blair explained that at the WADA annual meeting a proposal is going forward to set up a scholarship that will be awarded to a son/daughter of a WADA member. This is one way that money in our reserve can be spent.

WADA Lifetime Membership

Feedback is requested for what the value of a lifetime membership could be set at. One or two payments could be made for a lifetime membership.

NIAAA Orlando Delegates

John Frizzell, Wis. Dells and Bryan Yager, Reedsburg will both be on the ballot for consideration as the delegates at the national convention.

Golf Outings

Feedback is requested in regards to the annual summer golf outing that has been held in Wisconsin Rapids. Some interest has been expressed in moving the golf outing to the Dells or rotate it around the state. Bryan Yager, Reedsburg also offered that there may be a D3 golf outing this summer. He is working with Mike Montgomery, Sparta about hosting it in Sparta. Watch your email for more information.

LTC Teachers Wanted

Need 590: Todd Fisher, Osseo-Fairchild; John Frizzell, Wis. Dells
Have Had 590 and would consider teaching: Tom Curran, Tomah

WIAA Feedback Requested

1. *Should days of traveling to a camp/clinic/competition be counted as part of the 4/5 day rule?
 *Should team travel to a foreign or domestic country be allowed in excess of the 4/5 day rule?
 *Should teams be allowed to continue to ‘travel’ if coach is disconnected from the team during that time?
 *Should the assembling of the school team by parents or others in advance of the school season for purposes, which include practice or competition be allowed?
 The general consensus was to leave the rules as they now stand.

2. Drug testing
 Todd Fisher, Osseo-Fairchild, stated it is a money issue. There are 10-12 schools currently doing drug testing.

3. Bowling
 How many have it as an intramural? 2
 How many have had requests? 3
 Season preference? Winter

4. Golf Course use
 How many are using more than one golf course as a home course: 1
 Note that this is illegal.

5. Technology Seeding Meetings
 Works fine as long as there are no appeals. Appeals make the process very difficult and time consuming. Distance Learning should be looked at as a viable option.

6. Rules DVD
 Some had difficulty opening. Some had difficulty sharing with non-staff members.

NFHS Stamped Contest Balls

About half the schools are using the stamped balls for all levels. No one expressed concern about using them for all levels.

D3 Representative

Linzi Gronning, Holmen, received a unanimous ballot to serve a second term as D3 Rep.

Tom Curran, Tomah, was voted as the D3 Gender Rep.

Bryan Yager, Reedsburg and Todd Fisher, Osseo-Fairchild also nominated.

Meeting was adjourned.

Spring Caucus – 2006: District 3 --- details to be announced.
